

## CELL SHOCK PERFECT PROFILE REMODELING CREAM

### SCULPT THE NECK AND CHIN

This silky cream boasts a new “slimming” technology that helps stimulates, regenerate and lift the vulnerable skin of the neck and chin.

It dissolves with a cooling sensation, leaving the skin distinctively soft and refined, as if resculpted.

The profile that lacked suppleness and resilience is reshaped with more delicate and visibly youthful features.

Ref. 1148C – 250 ml

### THE BENEFITS

- Anti-glycation complex act in synergy to regenerate the skin and restore its tone
- Caffeine helps to remove the toxins in the skin and re-sculpt
- Intense moisture thanks to Fucogel

### THE CUSTOMER

- Recommended for neck and chin area that lacks tone

### THE TECHNOLOGY

#### CELLACTEL 2 COMPLEX

A unique cell-regenerating complex that boosts vital skin functions and revitalizes cellular metabolism to “lift” the skin and visibly reduce wrinkles

#### ANTI-GLYCATION COMPLEX (AMADORINE)

An excess of sugar produces glycation which can alter the skin. This ingredient helps collagen to renew itself and act as a powerful “sugar trap”. It effectively combats the decrease in suppleness and tone of the skin.

#### BUTCHER’S BROOM EXTRACT

Has vaso-constricting (reduces venous dilation) and softening properties.

#### GINGKO BILOBA EXTRACT

Has anti-inflammatory and venous protective benefits. It helps to improve tissue irrigation and to activate the energetic metabolism of cells by increasing the consumption of glucose, oxygen and TPA synthesis. It has also free radical scavenging properties.

## CAFFEINE

Helps to drain the fatty tissue of water and toxins.

## FUCOGEL (BIOSACCHARIDE GUM-1)

Polysaccharide which has a long-term moisturizing effect and provides a pleasant softening and cooling sensation.

## THE RITUAL

---

Apply in the evening on thoroughly cleansed skin, and/or in the morning before applying the appropriate Swissline products.

With a moderate amount of cream on your fingers, gently massage from the chin to the neck.
