THE BENEFITS

- Stimulates skin's metabolism
- Fight free radical damages
- Boosts skin hydration and energy

THE CUSTOMER

- Recommended for dry, dehydrated skin

THE TECHNOLOGY

CELLACTEL 2 COMPLEX

A unique cell-regenerating complex that boosts vital skin functions and revitalizes cellular metabolism to "lift" the skin and visibly reduce wrinkles

MACRO-ENCAPSULATED GREEN UNISPHERES

Upon application, vitamins A and E are released onto the skin's surface which helps to fight free radical damages.

PHYSIOGENYL™

Physiological oligo-mineral complex consisting of an optimized combination of mineral salts, crucial to the skin's hydration and energy capacity.

HYALURONIC ACID

A naturally occurring polysaccharide (complex sugar), it acts as a "molecular sponge" trapping and holding water up to a thousand times its own weight.

LARCH EXTRACT

A natural polysaccharide extracted from North American larch trees, has excellent moisturizing and skin tightening properties.

THE RITUAL

This product can be used in two different ways:

AS A MASK Smooth a thin layer onto the face. Allow to penetrate for 15-20 minutes, then wipe-off with a tissue. Repeat as often as needed.

AS A RELAXING AND SOFTENING VEIL Apply a thin layer on thoroughly cleansed skin before bedtime. Leave on the skin overnight. Continue with the normal routine in the morning. This form of treatment can be repeated twice per week.
