THE TECHNOLOGY

CELLACTEL 2 COMPLEX

Cell Shock's signature skin-revitalizing ingredient helps repair essential skin functions, lift and regenerates the skin.

GRAPE LIVING WATER

The purest water from the heart of grapes, extracted through a patented process without the use of chemical solvents, helps catalyze the skin's enzymatic processes as it replenishes essential oils, mineral salts and trace elements. Grape polyphenols have demonstrated a powerful antioxidant effect.

KOMBUCHA EXTRACT

Also known as “long-life mushroom”, Kombucha smooths and freshens the skin. It has been shown, in vitro, to decrease glycation and produce a “lipo-filling” plumping effect. Clinical tests have demonstrated that it diminishes roughness and increases brightness and clarity.

URBAN DETOX COMPLEX

Clinically proven, modern complex tackles “urban stress” to enhance the skin’s brightness and clarity. Specific protein fractions from Moringa Seeds shield skin from environmental pollution, while a Nasturtium stem extract promotes the role of cytoglobin as an oxygen carrier, facilitating the intercellular exchange of toxins.

THE RITUAL

Apply every morning and evening, immediately after your usual cleansing steps and before the application of a serum and/or a cream.

Pour a few drops onto the palm of the hand – without using a cotton pad- and smooth over face and neck, avoiding the eye area.
